**Endoscope Repair:** Flexible, Rigid, Camera Heads and Power  
**New and Refurbished Endoscopy Equipment:** GI and Surgical  
**ERBE Surgical Systems:** Electrosurgery, Helix Hydro-Jet™

## The Purchase Credit Program

Since 1992, Life Systems has offered a unique repair product focused on the needs of our customers. In 1997, we began our association with **ERBE USA, Inc.** as distributors in ten states. Today, we are proud to offer an unmatched repair service and the #1 therapeutic tool in Endoscopy, the APC-300 from **ERBE**.

This unique product mix has led to the development of an innovative solution called the Purchase Credit Program.

The Purchase Credit Program rewards our repair customers with credit towards the purchase of **ERBE** equipment and/or supplies or Life Systems' Refurbished Equipment.

Upon execution of a service agreement, you will be immediately eligible for credit towards the purchase of the equipment you need. The amount of the credit depends on the length of the service agreement and your volume of repair expenditures.

Experience all the benefits of our unique repair service: free loaners, competitive pricing, quick turnaround, local representation, and quality repairs.

To learn more, please schedule a meeting with your local Life Systems, Inc. representative or call Life Systems directly at (888) LIFE-SYSTEMS / (888) 543-3797 and ask to speak with the Sales Manager.
